

Morning Drop-Off Procedures
 The area between the drop-off signs is a "Drop and Go" area. Traffic in this area needs to flow forward, please be aware of the vehicle in front of you.
 Students need to be ready to exit the vehicle upon arriving at Sonoma, this will help with the flow of traffic. If your child is not ready please pull into a parking space, or circle back around.
 The morning is a single lane drop off, which is different then the afternoon pick up procedure.
 Students are not to be dropped off prior to 8:50am. Students must wait in vehicles and will be released at 8:50. This is for the safety of all students. We do not have supervision during this time for students.

B Drive South
 For safety and efficiency, please stay in your vehicle

AFTERNOON PICK UP PROCEDURES

Students will stay in their classroom until the end of the school day. They will be called out to the pick up line from their room. Reminder: Parents are expected to be here no later than 3:40 to pick up their students. Please remain in your vehicle during pick-up so the process can move quickly. Please place your "pick-up" sign in the front right side window so staff can easily read the student name. These will go home with students the first few days of school. Always pull your vehicle up as far as you can to allow for more vehicles in the drive. You will not be able to pick-up other students, unless they have a note from their parent/ guardian. If your child isn't a "regular" pick-up student, you MUST send a note with your child or call the office by 3:00PM. Please make sure to get into the pick up line.

REMEMBER: These procedures are in place for the safety of YOUR child. Please help us show our students we ALL care about their safety by following them. We thank you for your support and cooperation. Students must wear a mask upon entering/ exiting the building, and during any building transitions.
